

Allied Health/Science Transfer—A.S. Degree with concentration in Pre-Physical Therapy

Students who wish to pursue a career as a physical therapist may begin their studies at Manor's Associate Degree program with a concentration in pre-physical therapy. Manor's small class size, and strong science and liberal arts foundation will provide the student with the basis necessary for success. Students then transfer after two years to another college or university to complete their studies. A P.H.D. is recommended in order to enter the physical therapy profession. In addition, physical therapy graduates take a licensing exam.

Manor requires that each pre-physical therapy sophomore student in good standing participate in an 80-hour observational externship at a physical therapy site.

Students must attain a grade of "C" or better in all science courses. Any student with a grade of "D" or "F" in any one of these courses will be required to repeat the course. Students who have a cumulative GPA < 2.0 for two successive semesters may be dismissed from the program.

Suggested Course Sequence

First Semester	Credits
BI 101 Biology I	4
CH 101 Chemistry I	4
EN 101 Fundamentals of Composition I	3
Mathematics (excluding MH 101 or MH 102; MH 104 Algebra & Trig or MH 201 Calculus I recommended)	3
Social Science Elective (PS 101 Intro to Psychology recommended)	<u>3</u>
	17
Second Semester	
Science Elective (BI 102 Biology II recommended)	4
Science Elective (CH 102 Chemistry II recommended)	3/4
EN 102 Fundamentals of Composition II	3
Social Science Elective (PS 102 Dev. Psychology recommended)	3
PL 100 Philosophy and the Human Condition	<u>3</u>
	16/17
Third Semester	
BI 201 Anatomy & Physiology I	4
Computer Science Core (Required CS 105 or CS 106)	3
History Elective (HS 105 History of Culture, Race & Ethnicity recommended)	3
Electives (PS 201 Abnormal Psychology; PH 201 Physics I recommended)	<u>6/7</u>
	16/17
Fourth Semester	
BI 202 Anatomy & Physiology II	4
Religion elective	3
Electives (PH 202 Physics II; MH 203 Statistics recommended)	6/7
AH 100 Observational Placement	<u>3</u>
	16/17
Total Credits	65
